

Includes clip-on 90° viewing mirror and magnetic pickup attachments.

TIF3880

Video Inspection Scope

This video scope is for remote inspection of areas generally inaccessible to the naked eye. It comes with a distal video camera at the end of a water-resistant shaft for internal inspection of engines, A/C systems, interior structures of walls, and other industrial and similiar applications.

- Easy to see high resolution color image (Resolution = 320x240 pixels).
- Large 2.5" full color monitor for easy viewing.
- Autofocus camera helps keep the image clear and sharp.
- Waterproof, flexible 72" Staylock™ shaft.
- Small 10mm shaft diameter.
- 5 hours of operation (4-AA batteries included).
- Video output for optional recording.
- Storage case.
- 1-year warranty.
